

Designing For Wiser Action Table

In a group or alone, fill out each box below in order to think through a project fully. Focusing in on different parts of the project in this way may help you to see things you've missed or generate new ideas. You can use this template before a project begins or whilst it's happening.

Project name:

Calling questions

Write down any questions or concerns you have about the project.

Purpose

What does this project hope to create?

What?

What preparation is needed?

How?

What is the process?

When?

What is the timeline?

Needs

Why is this necessary at this time?

Core team

Who makes up the core team?

Partners

Are there any partners involved?

Stakeholders/participants

Who else will be a part of this?

Tangible outcomes

Intangible outcomes

Challenges

Is anything getting in the way of the project?

I need help with...

Insights

What have you learnt so far?

Unanswered questions

Perhaps these things need a little more research or discovery.

Next steps

Need further assistance?

If you'd like to discuss your project or need any help please email info@yorkmcn.org.
